

PROGRAMME DESCRIPTION

The Bachelor of Education (Honours) program is designed to prepare individuals for successful teaching careers by providing a strong foundation in educational theory, pedagogy, and classroom management. The curriculum covers key areas such as child development, curriculum planning, assessment methods, and educational psychology, while also allowing students to specialize in either elementary or secondary education. In addition to theoretical learning, the program emphasizes practical training through student teaching placements, enabling students to gain valuable classroom experience. Upon completion, graduates are well equipped to pursue teaching licensure and build rewarding careers in schools or other educational settings.

PROGRAMME AIM

The program Bachelor of Education (Honours) will produce bachelors who are:

- Able to incorporate basic relevant knowledge and solve problems effectively through critical thinking skills in educational practices.
- Capable of adopting practical measures with interpersonal accuracy through effective communication within a team when designing educational learning experiences.
- Competent in adopting digital and numerical skills for designing learning approaches to address complex problems in education.
- Proficient in utilizing leadership and autonomy skills by incorporating entrepreneurial work in education.
- Skillful in empowering integrity through professionalism and ethics in education-related tasks.

CAREER OPPORTUNITIES

Graduates from the Bachelor of Education (Honours) program will be equipped to pursue diverse career opportunities, such as:

- Teacher
- Lecturer
- Counsellor
- Education Researcher
- Administrator
